The Washington Chronicle Administraon this question as they are on the subject of the finances and taxation.

An important case has been appealed to is so pronounced the remedy cannot be the Suprame Court, involving the legal-far off. One alternative receives grave Virginia bill, and was addressed by Law-rence in its support and advocacy as the the act of 1802. This case arises from the sale under an order of the District Court in 1863, of the brick residence on Ninth street, former; occupied by Dr. A. Y. P. street, former; occupied by Dr. A. Y. P.

Street, former; occupied by Dr. A. Y. P.

Garnett, one of the leading medical practic and of the Constitution against all persurbers of the fundamental conditions on which she was admitted, white control of Constitutions in Cincinna.

The sale is constitution against all persurbers of the fundamental conditions on which she was admitted, white control of Constitution against all persurbers of the fundamental conditions on which she was admitted, white constitution against all persurbers of the fundamental conditions on which she was admitted, white constitution against all persurbers of the fundamental conditions on which she was admitted, white constitution against all persurbers of the fundamental conditions on which she was admitted, white constitutions of the fundamental conditions on which she was admitted, white constitutions of the fundamental conditions on which she was admitted, white constitutions of the fundamental conditions on which she was admitted, white constitutions of the fundamental conditions on which she was admitted, white constitutions of the fundamental conditions tested, partly on the ground of irregularground that a party must, under the Constitution, be convicted of treason by a jury before his land ands goods can be forfeited. In this case the claimant was not provided and he was afterwards regularly pty in the proceedings, also upon the so tried, and he was afterwards regularly the purpose of destroying the main feapardoned by the President. The cause tures of the Republican State Constitution and assailing the rights of the colored population. There can be no doubt probably come on sometime this winter. as to the alarming condition of Tonnes- Mace and Allea---Heavy Claim---Thrifty

BOBBERY IN THE TREASURY. The Washington correspondent of the Baltimore Garette says that it has been intimated to him by one who ought to know, that there is something in the rumor of a The Radicals at their Wits' Ends---Demothe free form of the removal of certain bonds have been duplicated to a frightful amount. A few days ago a merchant filed an application for the removal of certain bonds sworm by him to have been sunk in the cesan, and, of course, utterly destroyed. This loss occurred some time ago, and, upon examination, it was found that the coupons had been regularly paid. The respectability of the party applying, added to the certain found is a figuration of the coupons had been regularly paid. The respectability of the party applying, added to the certain found is a figuration of the cause of the day of the figuration.

The Nashville Banaer of Wednesday publishes a dispatch from Atlanta dated on the 11th inst., which says:

The Legislature met to-day, but the Radicals got frightened, as about all the Bemocrats were taking the cath. So many Republicans have become dissatisfied and are with the Democrats, that he Radicals took a recess until 10 o'clock tomorrow, after a secsion of only two hours.

The Nashville Banaer of Wednesday publishes a dispatch from Atlanta dated on the 11th inst., which says:

The United States Collector has dominated of the city \$30,000 as a succession tax on the property received from Hanry Shaw for Tower Grove Park. The city declines to pay it, and will probably contest the matter.

Issue Jacobs, a ragpicker, was arrested here to-day for having in his to go to New York within a week of the day of the fight to select a referec. This ho and his firinds consider unjust.

to-morrow morning.

Secretary Boutwell, says: Mr. Boutwell's and will spare no expense to regain his report contains some starting proposits.

First, he inveighs against the system of Mr. Cook received two thousand dollars allowing banks to pay interest on deposits, which results, as he very justly says, in the money being distributed by the banks, instead of by individuals, and consequently in its flowing to the great city banks, where money is most in demand.

This Mr. Houtwell describes as an "articity of the system." Lending to accommission of the property of the This Mr. Boutwell describes as an "artificial system," tending to accumulate
money more in the great centres of trade
than is natural, and to denude the country of money. What Mr. Boutwell means
by an "artificial system" it is hard to
say, Perhaps he calls the tendency of
Church of Astoria. From there he wont say. Perhaps he calls the tendency of labor and population to the great cities artificial, and thinks it denudes the country of labor. He seriously proposes to pass a law forbidding the banks to give interest on deposits, and another law limiting the loans of banks on cotlateral securities to an amount not exceeding ten per cent. of their capital! Mr. Boutwell has not the remotest conceptions of the serior capital and the statements of both that lady and her pupils testify to her facturers directly, instead of distributing it through banks, which he thinks encourage speculation, and make their own profit at the expense of the community. First, his rether iddute preparation and make their own profit at the expense of the community. First, his rether iddute preparation and make their own profit at the expense of the community. First, which called the blessing of God upon his. Buckwheat. his rather idiotic proposal would not answer his purpose; and, secondly, his purpose is a ridiculous one. He might just
